

Clay County 708
Mental Health Board
Minutes
Date : March 14, 2023

Members present in person: Jonathon Akers, Ted Whitehead, Brandi Young,
Nancy Hinton

Members absent: Lara Casolari, and Samantha Weidner

-The meeting began at 12:00pm

-Read and reviewed the minutes from the last meeting. Ted motioned that we accept the minutes from October 11, 2022 and Brandi seconded. There was some discussion on the appointment of Samantha Weidner to the board and reappointments in general. Discussed that SAFE, Sexual Assault and Family Emergencies Agency had reached out to Nancy about how to seek the 708 funds to help their agency as their budget is being cut. They cover not only Clay Co but also the counties of: Bond, Clinton, Effingham, Fayette, Hamilton, Jefferson, Marion, Washington, Wayne and White. There was concern expressed as to why they budget is being cut and also if the Clay Co 708 Funds would stay in Clay County. If a representative comes to the funding meeting these concerns will be addressed. Amy Britton will be contacted to add the 708 Board meeting dates to the county calendar. Ted made a motion to adjourn and Jonathon seconded it. Next meeting will be May 30, 2023

Respectfully submitted,

Clay Co 708, Mental Health Board

Chairperson
