-Read and reviewed the minutes from the last meeting. Jonathon motioned that we accept the minutes from February 20, 202, Samantha seconded. There was much discussion about the request that needs to be sent into the County CPA. The conclusion was to ask for an increase in the funding for the next year. Ted Whitehead is retiring from the county board so there was discussion of reaching out to Joe Goodman from the County Board regarding who will take his place on the 708 board as the board appointed. The meeting for the rest of the year and the dates were tentatively set as August 13th, and October 22nd. Meeting was adjourned by a motion by Brandi and seconded by Jonathon.
